

Supplier Registration Form

Registered particulars

Supplier Registration Form. Legal name: Chitra Industrial Components Private Limited. Trading name: Chitra Components. Country: India. CIN: U74999KA2020PTC190004. Incorporation date: 12 September 2020. Issuing registry: Registrar of Companies, India. Registration status: Active.

Registered office: Unit 71, Jigani Business Centre, Bengaluru, Karnataka 560105. Business activity: Precision machining and assembly of industrial components. This form establishes the entity and the office used for statutory correspondence; operational schedules describe separate delivery and service arrangements.

The administrative contact routes procurement clarifications and maintains the submitted originals. A vendor-master entry is separate from reviewer approval. This supplier form makes no statement that the customer's onboarding review has completed.

Location-role schedule

Manufacturing plant: Shed 18, Doddaballapur Industrial Area, Bengaluru, Karnataka 561203. Dispatch depot: Bay 9, Nelamangala Freight Yard, Bengaluru, Karnataka 562123. Neither location replaces the registered office on page 1.

Goods for customer pickup are collected from the dispatch depot. Statutory correspondence is addressed to the registered office. Factory audits take place at the manufacturing plant; a delivery route instruction does not change the legal address.

Commercial schedule

Payment terms: Net 60 days after quality acceptance. Physical unloading is not quality acceptance. Inspection records identify the accepted batch before AP begins this payment period.

The supplier trades as Chitra Components but invoices under the full legal entity named on page 1. A trading name is not a separate payee or a different taxpayer.
