

Certificate of Liability Insurance

Liability certificate and schedule

Certificate of Liability Insurance. Named insured: Chitra Industrial Components Private Limited. Insurance provider: HarborPoint General Insurance Company Limited. Policy number: HPGL/2026/ST/24004. Policy period: 01 JUL 2026 - 30 JUN 2027. Country: India.

Declared business activity: Precision machining and assembly of industrial components. This liability original is supplementary procurement evidence. Its attached schedules explain applicable operations, limits and conditions; a certificate heading alone does not replace those clauses.

The evidence records the supplier's stated cover; it does not confirm customer onboarding approval or guarantee payment of a claim. The policy schedule and endorsements must be read together when an operation is subject to a particular limit or condition.

Certificate of Liability Insurance

Operations and claims correspondence

Covered activity: precision machining and assembly of industrial components at the declared plant.

Product-liability annual aggregate: INR 25,00,000. Export recall expenses are not listed as covered costs.

Claims correspondence address: Claims Desk 2, Residency Road, Bengaluru, Karnataka 560025. This is the insurer's routing address, not the supplier's registered office, plant or dispatch depot.

Certificate of Liability Insurance

Territorial condition

Declared territory for product-liability cover: India. This schedule excludes product claims arising from supply into the United States or Canada.

Shipping a batch from the Indian dispatch depot does not change the stated territorial exclusion. A separate export endorsement would be needed to establish different territory, but no export endorsement is supplied here.
